PREFACE

This parts manual has been prepared and can be used in conjunction with Union Special Adjusting Manual INS-9105.

It is the desire of Union Special that each machine run at it's optimum performance. Parts listed in this manual are designed specifically for your machine and are manufactured with utmost precision to assure long lasting service.

This manual has been made on the basis of available information. Changes in design and/or improvements may incorporate a slight modification of configuration in illustrations or part numbers.

On the following pages will be found illustrations and terminology used in describing the parts used on the CV900 series machines.

SAFETY RULES

CAUTION!

THIS SYMBOL INDICATES YOUR PERSONAL SAFETY IS INVOLVED.

TO PREVENT PERSONAL INJURY:

- All power sources to the machine **MUST** be **TURNED OFF** before threading, oiling, adjusting, or replacing parts.
- Wear safety glasses.
- All covers and guards **MUST** be in position before operating machine.
- **DO NOT** tamper with covers, guards, etc., while machine is in operation.
